

Countywide Homeless Shelter Inventory

This list provides information on housing for the homeless in San Diego County. There are five types of housing listed – Emergency Shelters, Permanent Supportive Housing, Transitional Shelters, Vouchers, and Winter Shelters. Each type of housing is organized by region, then city. The “Beds” column shows the number of beds at the shelter, NOT the number of empty beds. Additionally, refer to the “Clientele” and “Special Needs” columns to determine whether you are eligible for the service.

EMERGENCY SHELTERS

Emergency Shelters offer a temporary overnight sleeping accommodation. The maximum stay varies depending on the program. Case management is sometimes available to clients.
